

Join one of our **clinics**  
for an awesome  
experience! It's not about  
being the perfect rider, it's  
four days of diving  
headfirst into the horse  
world.

You'll get to refine your skills, chat all things horse, and most importantly, have a blast!

For four whole days, we're all in it together, aiming to level up and deepen our horsemanship.

Come and soak up the Nottingham vibe. Trust us, you'll be hooked—everyone is!

If you're bringing your own horse, just make sure they're all set for the adventure! They should be cool around other horses and chill with traveling to the clinic. But hey, if your horse isn't quite there yet, no worries! Our school horses are super friendly and well-trained, perfect for riders of any level.

Who can join? Anyone from age 3 to 93 (yes, you read right, remember to ask Kraai about that age limit!).

Prices for clinic 4 days of horse fun.
